FOREWORD

We would like to present to you a treasure of memories which we hope will come to you each time you turn the pages of this book. We have tried to make this the best annual ever published at Morgan High School. We feel that our efforts have not been in vain because of the splendid co-operation which we have received. We extend our appreciation to all who helped in any way to make this book a success.

DEDICATION

We, the annual staff of Morgan High School would like to dedicate this yearbook to Mrs. Joan Chambliss, which may in some way express our appreciation to her.
